How do you evaluate the **contents/goals** of the course?

	Fully Agree	Mostly Agree	Disagree	Strongly disagree
The aim of the course as part of the PhD-curriculum was clearly set out by the ZSN.				
Covering this topic during the course of the PhD-study is reasonable.				
The course context allowed enough room to give a good insight into the topic.				

How do you estimate your **own performance**?

	Fully Agree	Mostly Agree	Disagree	Strongly disagree
I was well prepared.				
I was aware of and considered the inhomogeneous level of knowledge of the participants.				
I always picked up questions and critical remarks.				
I pushed the discussion and led it to a good outcome.
